www.associatednewspapers.net

For more than 150 years, Associated Newspapers has brought local news to communities in this area. These publications have won hundreds of both state and national journalism awards during that century and a half of publishing and have weathered some serious challenges.

We've endured power outages, equipment failures, printer catastrophes, economic downturns, the COVID pandemic and the changing media environment. Through it all, we have adapted and endured.

The past two weeks have presented some of the most unique and monumental challenges we have faced in many years. Our publisher, and single editorial staff member, suffered a serious injury and is unable to produce even the slightest amount of newscopy to fill the local pages. In addition, a serious weather event shut down electrical power to our production facilities and several crucial pieces of equipment simply died.

Those circumstances, we hope, explain the few pages online this week as we attempt to make decisions and plans for the future. Our publisher will be incapacitated for several weeks which can be a lifetime in the newspaper business.

It is and has been for many, many years, an honor and a privilege of our publications to be entrusted with the publication of legal notices from several communities in the area. Above all else, we plan to honor that trust and publish the vital legal notices this week, although our news coverage is severely lacking in both our usual quality and quantity.

These serious circumstances will impact our plans for the future, but those plans will include, as they have for more than 150 years, our constant commitment to best serve our readership and our communities.

Ice breakers

City of Plymouth expects 20,000 visitors to annual Ice Festival

One of the most highly anticipated events of the year, the 2024 Plymouth Ice Festival, presented by Michigan First Credit Union, is set to transform downtown Plymouth into a winter wonderland, organizers said. This year, Michigan First Credit Union will be the presenting sponsor of the event which annually draws nearly 20,000 visitors into downtown Plymouth.

Highlights of the event this year will feature the stars of the event, the spectacular ice sculptures. Producer James Gietzen of JAG Entertainment said smaller sculptures will be displayed at local businesses while the larger artworks will be installed at Kellogg Park.

Again this year, the Ice Throne is expected to be the setting for hundreds of family photos. Visitors will feel like Ice Festival royalty as they take a seat atop the unique Ice Throne. This activity has been a tradition for many families, as they return for that picture every year, Gietzen said.

Another traditional attraction at the festival will be the Hot Spot located in The Gathering across from Kellogg Park. Each year, Ehlers Heating and Cooling provides the warmth at the site which features local vendors, businesses, product demonstrations, a sitting area to allow for a respite from sculpture viewing. The Hot Spot is open during official hours of the festival.

Returning this year is the popular Petting Farm, also presented by Michigan First Credit Union.

Carousel Acres will be offering a hands-on experience with horses, donkeys, goats, sheep, an alpaca and even a baby calf. This activity is a top attraction for children, or those young at heart. This year, the Petting Farm will also feature pony rides. The Petting Farm will be open from 11 a.m. until 5 p.m. on both Saturday and Sunday.

And back by popular demand is the Tubing Run. The Plymouth Ice Festival tubing

run features more than 100 feet of tubing excitement and fun for the whole family, Gietzen said. The Tubing Run will be open from 6 until 9 p.m. on Friday, Feb. 2; from 11 a.m. until 9 p.m. Saturday, Feb. 3 and from 11 a.m. until 5 p.m. on Sunday, Feb. 4.

Another traditional attraction at the annual event will be the Party Lot and Ice Bar located at E.G. Nicks restaurant located at 500 Forest Ave. The Ice Bar in front of the popular restaurant will be open all three days of the festival. The Party Lot in the back parking lot will feature music and dancing from Ava James and The Rumors on Friday, Feb. 3 and music from Power Play Detroit on Saturday, Feb. 4.

Festival visitors usually can't resist the fresh roasted almonds, elephant ears and mini donuts available at the food booths and wagons.

The event also features a Polish food booth inside the Hotspot warming station. In addition, all the restaurants in the downtown area will be offering some of their best menu items during the festival.

The popular Downtown Development Authority (DDA) Bingo game will also return this year. Visitors can stop in participating businesses and collect enough stickers to get a bingo on

their playing card which then makes them eligible for a special prize from The Plymouth DDA.

This year, the Plymouth Ice Festival is set for 5 until 10 p.m. Friday, Feb. 2, from 10 a.m. until

10 p.m. on Saturday, Feb. 3 and from 10 a.m. until 6 p.m. on Sunday, Feb. 4.

For more information, visit www.plymouthicefest.com or on social media @PlymouthIce Festival.

Technical assist

Winners from the second annual Canton Technology Committee App-a-thon, as well as the Judges, are shown here with their prizes and certificates. The theme of the 2024 Canton App-a-thon focused on how to utilize technology to assist residents. The participants were spot-on in creating apps for speaking to each other during crisis, translating documents and finding information on happenings in Canton. This year's Judges, included: Canton Supervisor Graham-Hudak, Trustee Tania Ganguly, Abdullah Ahmet, Chris Falco, Winston Koo, and Victor Ibegbu.

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

January 18, 2024
Northville Charter Township
44405 Six Mile Road
Northville, MI 48168
248-662-0498

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the Michigan International Technology Center (MITC):

44065 Six Mile Road
Northville, MI 48168
Email: kheise@plymouthtwp.org

REQUEST FOR RELEASE OF FUNDS

On or about **February 2, 2024** the Northville Charter Township will authorize the Michigan International Technology Center to submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of Community Project Funding (CPF) Grants funds under the Consolidated Appropriations Act, 2022, as amended, to undertake a project known as 5 Mile Sanitary Sewer for the purpose of the installation of sanitary sewer along a 0.79 km (0.5 mi) long stretch of 5 Mile Road between a point 485 m (1,591 ft) west of Ridge Road and a point 305 m (1,001 ft) east of Ridge Road where the new sanitary sewer line will connect with existing sanitary sewer line and the current Western Township's Utility Authority (WTUA) interceptor.

The Project Area east of Ridge Road presently contains a 30 cm (12-in) diameter sewer line that will be upgraded to 46 cm (18 in) diameter sewer line, while 15 cm (6-in) force main will be installed along the Project Area west of Ridge Road. Planned ground disturbing activity involves the excavation of previously dug and new sewer line trenching, the removal of any road materials, drainage ditches, culverts, and/or other obstructions in order to reach appropriate depth, and the replacement of the same materials following sanitary sewer installation.

All Project activities will be contained to the current 5 Mile Road or CSX Railroad grade and right-of-way. The sanitary sewer will also cross the Johnson Drain. The force main is expected to be installed using directional drill methods. The railroad crossing is anticipated to be installed using jack and bore methods. These methods are used to be minimally invasive to the construction area and will avoid impacts to the wetland surrounding the Johnson Drain. The replacement of the existing 12-inch diameter sewer line with new 18-inch diameter sewer will be done using open cut methods. The open cut area will require minor impacts to the edge of an existing wetland east of Ridge Road. The wetland impacts are anticipated to be permitting by the Michigan Department of Environment, Great Lakes, and Energy (EGLE). Native plantings will be used to restore the site after construction.

Mitigation measures will also be in place to prevent the loss of habitat for the Indiana Bat and Northern Long Eared Bat, and the Eastern Massasauga Rattlesnake (EMR). Tree clearing of trees greater than 3-inches in diameter will only be done during the inactive season from September through April for the protection of the bat species, and wildlife friendly erosion control products will be used for the protection of EMR.

The project will provide sanitary sewer connections for future development along the corridor, which has been designated as a high technology corridor. The project is primarily funded through HUD's Community Project Funding program, which is providing a \$2 million grant to the program. The remainder of the matching funds will be provided by Plymouth and Northville Townships.

FINDING OF NO SIGNIFICANT IMPACT

The Northville Charter Township has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at Northville Township Hall, 44405 Six Mile Road, Northville, MI 48168 and may be examined or copied weekday's 8 A.M to 4:30 P.M.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the Northville Charter Township, 44405 Six Mile Road, Northville, MI 48168, Attention: Bob Belair, Director of Public Services. Comments may also be submitted via email at bhelair@twp.northville.mi.us. All comments received by **February 2, 2024** will be considered by the Northville Charter Township prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing.

RELEASE OF FUNDS

The Northville Charter Township certifies to HUD that Mark J. Abbo in his capacity as Township Supervisor consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the Michigan International Technology Center to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of fund and the Northville Charter Township's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the Northville Charter Township; (b) the Northville Charter Township has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to the *U. S. Department of Housing and Urban Development-Detroit Field Office, Keith E. Hernandez, Director, Community Planning and Development at DetroitCPD@hud.gov*. Potential objectors should contact HUD to verify the actual last day of the objection period.

Winter safety tips

Winter's here and we've got a small but mighty request: Let's keep our fire hydrants clear. By shoveling out a 3-foot space around them, you're helping our Northville Township Fire Department (NTFD) access these lifesavers faster, cutting down crucial response times. And since we're talking about shoveling, NTFD has some cool tips to keep you safe and warm while you're at it:

- Ease into your day before grabbing that shovel. Don't rush, let your body wake up first!
- Warm-up alert! A quick stretch or a little walk does wonders before you start.
- Opt for a smaller shovel. It's about many light lifts, not a few heavy ones.
- Dress like it's a winter wonderland! Keep your hands, head, and face cozy.
- Shovel in stages. Don't forget to take those well-deserved breaks. Together, let's make this winter safe and hydrant-friendly!

Registration forms can be obtained at www.mi.gov/vote and mailed to the City Clerk. Voters who are already registered may update their registration at www.expressSOS.com.

The last day to register in any manner other than in-person with the local clerk is **Monday, February 12, 2024 by 4:00 p.m.**

After this date, anyone who qualifies as an elector may register to vote in person with proof of residency (MCL 168.492) at the Romulus City Clerk's office, located at 11111 Wayne Road, Romulus, MI 48174 at the following times:

- Regular business hours: Monday through Friday from 8:00 a.m. to 4:00 p.m.
- Saturday, February 24, 2024, from 8:00 a.m. to 4:00 p.m.
- Election Day, Tuesday, February 27, 2024, from 7:00 a.m. to 8:00 p.m.

PLEASE TAKE FURTHER NOTICE that for ALL Precincts there are three ballot types: one (1) ballot for the Democratic Party, one (1) ballot for the Republican Party, and one (1) ballot for No Party Declaration (this ballot choice is for voters not voting in the Presidential Primary but wish to vote on the local proposal only, as shown below). Voters must indicate in writing which political party ballot they wish to vote.

The following proposals will appear on the ballot:

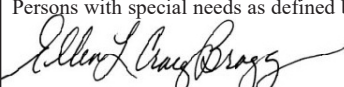

**ROMULUS PROPOSED CHARTER AMENDMENT TO CHAPTER VI, SECTION 6.4
(NUMBER OF MONTHLY MEETINGS)**

Section 6.4 currently requires a minimum of three (3) city council meetings per month. It is proposed that Section 6.4 be amended to establish a minimum of two (2) council meetings each month. Shall the proposed amendment be adopted?
[] Yes
[] No

Full text of the ballot proposal may be obtained at the Romulus City Clerk's office, 11111 Wayne Road, Romulus, MI 48174.

PERSONS ENTITLED to be registered voters in the City of Romulus must possess the following qualifications on or before the day of the election: (1) a citizen of the United States; (2) not less than 17 ½ years of age; (3) a resident of the State of Michigan and the City of Romulus (MCL 168.492).

Persons with special needs as defined by the Americans with Disabilities Act should contact the Clerk's office.

Ellen L. Craig-Bragg, MiPMC, MMC
City Clerk
City of Romulus
